FEATURED Odyssey fireplace with unitized ceramic fiber log set and White Stacked refractory panels

ODYSSEY

The pleasure of an outdoor fireplace, the contemporary look of stainless steel and easy installation come together in the elegant Odyssey Vent-Free Gas Fireplaces from Astria. The stainless steel exterior complements outdoor kitchens and furnishings and provides weather resistance for years of carefree enjoyment. The tall, dancing yellow flames produce warmth and comfort for any outdoor oasis. With this vent-free design, there is no need for a chimney to obstruct your outdoor view. The unitized, ceramic fiber log set with ember pod adds to the beauty and realism.

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale — consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
